

This contains information for developers using the GPU libraries on Windows.

The contents of this CD are comprehensively discussed in the HTML document "readme.htm" in the root directory of the Graphic Artist

Tools CD. You should point your HTML 3.0 compatible Web browser at the document on the CD. Because the hyperlinks refer to documents on the CD, make sure the CD is in the drive.

You can download the latest Web browsers at [www.netscape.com](http://www.netscape.com) (for the Netscape Navigator) and at [www.microsoft.com](http://www.microsoft.com) (for the Internet Explorer).

If you do not have access to the Web, pdf versions of these documents are available in the directory "doc". Adobe Acrobat, which can read pdf files, is available on the Technical Reference CD.
